INTRODUCTION

The purpose of this manual is to give you an understanding of insurance coverage provided and information to properly report all actual and potential liability claims with which you may become involved.

The final responsibility for the success of the insurance program rests with Phi Sigma Kappa Fraternity and the Chapter. It is always important to remember that our first line of defense in liability matters is loss prevention, next is loss control, and the insurance contract is the final line of defense. The undergraduate and alumni members' willingness to understand and assume the responsibility of sound risk management practices is a cornerstone of our program.

In the event that an incident or claim does arise, the Executive Director of Phi Sigma Kappa and Wills will oversee the effective handling of all incident and claim investigation. Included within this manual you will find an incident reporting form that must be completed and submitted at the time of any incident that results in bodily injury or property damage.

Wills strives to provide risk management resources to complement the loss prevention and control efforts of its clients. Please visit www.willisfraternity.com to review the Wills website. You will find a number of risk management resources that can assist you in your daily lives as well as information on your insurance protection, and online forms for; purchasing property coverage, liability and property claim reporting and making requests for additional insured protection.

GRAND CHAPTER OF PHI SIGMA KAPPA

THE GENERAL LIABILITY INSURANCE PROGRAM

The following description is a summary only and is not intended to serve as a substitute for the actual insurance contract.

Phi Sigma Kappa Fraternity insurance program provides Blanket Public General Liability Coverage of \$1,000,000 per occurrence with a \$2,000,000 general aggregate per location for all participating chapters. (Types of coverage are included at the end of this section).

The coverage is for bodily injury, property damage and personal injury. This protects the local undergraduate chapter, its officers and members, house corporations, alumni associations and chapter related educational foundations including appointed volunteers, from claims arising out of bodily injury and property damage occurring out of chapter operations. It also protects against claims arising out of libel, slander, false arrest, invasion of privacy, eviction from the premises, and consumption of food and beverages and incidental malpractice.

It must be understood that our coverage is for general public liability. **It is not accident insurance covering members and membership selection candidate for injuries sustained on the chapter premises and/or in chapter activities.** Liability insurance is not a substitute for medical insurance. Furthermore, it is not Workers' Compensation insurance which may be required for Fraternity employees.

This applies to the situation when a chapter member, chapter employee, or volunteer alumnus driving his own car on fraternity business is involved in an accident. It is intended to only cover entities of Phi Sigma Kappa Fraternity and individuals not involved in the accident. The intent is not to provide auto liability coverage to those who are not prudent enough to purchase their own auto liability policy. The auto insurance of the driver or auto owner will be the primary insurance coverage.

- A. The local undergraduate chapter that is chartered and recognized by the Fraternity **when it obeys the laws** of the institution, city, county, state and country in which it operates and the policies of Phi Sigma Kappa Fraternity. Undergraduate chapter officers, executive committee, committee chairman and members while performing the duties of elected or appointed positions within the organization.
- B. All volunteer advisors while performing the duties of their appointed or elected positions.

- E. The Alum Advisors and Chapter Advisors while performing the duties as advisors.

Who is *not* covered by this policy?

- A. Any individual member, alumnus, trustee or advisor who is performing tasks outside of his responsibility (i.e. spontaneous social function planned by an individual member, chapter advisor consuming alcohol with undergraduates, hazing of members, etc...)
- B. Any member who's illegal or intentional actions result in death or injury to an individual or property damage.
- C. Members' parents or family members and guests of chapter members.
- D. College/University administration (see Adding Additional Insureds next page).

Adding Additional Insureds

Additional Insureds may be added to this policy. Such Additional Insureds may be your landlord, college, university and/or proprietor from whom the chapter may be renting property for a special event.

Please submit the Additional Insured Request Form on page 23 to: Phi Sigma Kappa Fraternity Headquarters, 2925 E 96th Street, Indianapolis, IN 46240, Phone #317-573-5420, or Fax #317-573-5430 at least (30) thirty days prior to the date it is needed.

Upon review and approval of the Additional Insured request by Phi Sigma Kappa Fraternity and the insurance carrier, a certificate of insurance will be issued by Wills, with the original forwarded to the Additional Insured and a copy to the National Headquarters.

Proper function planning is critical to completing any Special Event in a safe manner! Please utilize the enclosed Special Event Checklist to assist with your event planning.

What Does Our Coverage *Not* Include?

A. Violations of Risk Management Policy

There is no Duty to Defend, nor any insurance coverage provided by this policy for any Insured who supervise or direct others to participate, observe and/or participate in the excluded act, and the Insured entity to which they belong for a claim arising out of or resulting from any violation of the National Fraternity's Risk Management Policy.

"Violation" will be determined in the sole discretion of the executive board of the National Fraternity that some breach of the Risk Management Policy has occurred.

"Risk Management Policy" is the written rules, regulations, or policies regarding risk management in effect at the time of the occurrence established by the National Fraternity.

B. Any claim of bodily injury and/or property damage from an incident resulting when:

1. An illegal act was performed
2. An intentional act was performed
3. A contract made by the chapter is broken
4. There is any discharge, release or escape of smoke, vapors, soot, fume, acids, toxic chemicals, etc... upon land, the atmosphere or any water course or body of water
5. An employee is hurt on the job. Workers' Compensation coverage must be purchased

C. Any claim of property damage to property owned by, rented by, used by, or cared for by the chapter. For example, the chapter rents a portable generator for an outdoor function, and while it is in the care, custody and control of the chapter, it is damaged and the lesser holds the chapter responsible and liable. No coverage is available under Phi Sigma Kappa Fraternity liability insurance contract. The only exception would be a premise rented for 7 or less days in which the "\$250,000 Damage to Premises You Rent" limit would apply.

Legal and Illegal Activity

Simply stated, no insurance policy in the world provides coverage for violations of the law. Phi Sigma Kappa Fraternity insurance program is no exception to this rule. The key points to understand are:

- Compliance with federal, state, local and institutional (college or university) laws and regulations is required.
- Compliance with all regulations and policies of Phi Sigma Kappa Fraternity is required.

Those individuals who choose to violate these rules may void the protection for themselves under Phi Sigma Kappa Fraternity insurance program. Every effort has been made to avoid their actions from jeopardizing the other members, other entities, or other named insureds protected by Phi Sigma Kappa Fraternity program. The following brief examples are intended to provide illustration and do not represent legal advice.

- A. With the broad awareness of its membership, the chapter serves alcohol to a minor in violation of the law at a chapter sponsored function. In the event of an injury, claim or lawsuit, those persons found to be in violation of the law and/or Phi Sigma Kappa Fraternity (in this case the entire chapter) most likely would be without insurance protection. The other named insureds would be protected (i.e. National Fraternity, or volunteer alumni).
- B. Two of the members of a 65-man chapter cause injury to someone in connection with a hazing incident. This activity was unauthorized and done secretly without the knowledge of the chapter, and strictly against chapter policy. In the event of an injury, claim or lawsuit, those persons (in this case, the two members) found to be in violation of the law and Phi Sigma Kappa Fraternity would be without insurance protection. The chapter, its officers and other volunteers would be protected.

Great effort has been made to ensure coverage will be provided to those individuals and entities exposed to claims. Its intent is to provide coverage for claims that arise from ordinary negligence. Chapters and chapter officers are protected from the unauthorized actions of individuals. Chapter advisors are protected from the unauthorized actions of their individual chapter members and the chapter as a whole, as are the chapter foundations and all other appointed alumni volunteers involved with the Fraternity.

SPECIAL EVENTS

In general, Special Events sponsored by a Chapter are covered under the general liability policy.

Poorly planned Special Events (e.g. social functions) are the usual cause of injury to our members and their guests. Proper planning is critical to the success of the event, avoiding injuries and controlling the costs of insurance protection.

We encourage alumni advisors and other volunteers be engaged with the undergraduate chapters in the proper planning of Special Events. A Special Event Checklist is included on page 19, if the form is utilized and all sections are addressed the guidance provided by the Checklist can do a great deal to help avoid an injury from occurring.

Special Note:

Whenever chapters or members are transporting special event attendees, **personal vehicles should not be used**. Chapters should be encouraged to engage a licensed third party transportation vendor who will provide professional drivers. The transportation company assumes liability during the ride and removes the responsibility and risk from Phi Sigma Kappa Fraternity.

SAFE TRANSPORTATION RECOMMENDATION FOR CHAPTER FUNCTIONS

Liability exposure continues to be one the biggest challenges facing men's general fraternal organizations. In fact, the exposure threatens the continued existence of many organizations. Phi Sigma Kappa Fraternity recognizes this and is attempting to provide the broadest general liability coverage available to us; however, we cannot do it without the support of the entire organization. It is important that sound risk management practices endorsed at the National level are implemented and strictly followed at the chapter level.

The safe use of automobiles is critical to the well being of all Phi Sigma Kappa members.

Effective immediately, we request each local chapter and/or colony implement a policy eliminating the use of:

1. Members' vehicles for transportation of members and guests from fraternity functions in programs such as the designated driver.
2. Leased or rented vehicles operated by members to transport members and guest from fraternity functions.

We understand that each of the above referenced precautions is done with the best intentions, however, for numerous reasons they have not produced the intended results. The only acceptable and safe alternative is using professional transportation services.

Outlined below is one of many examples of how a good intention can turn into a tragedy:

A local chapter of a national fraternity in Oregon held an off-premise social event. In an effort to provide a safe and fun environment, the chapter rented a 15 passenger van to transport members and guests to and from the location of the event. During one of the return trips, the sober member who was driving the van lost control and struck a telephone pole. The result was one passenger fatally injured and one seriously injured. Litigation soon followed and, ultimately, a substantial settlement was paid out on the claim.

From the description of the measures taken it would appear that everything was done correctly. What went wrong?

- The driver of the vehicle was unfamiliar with the van. Think about the times you jumped into a friend or family member's vehicle and searched for the lights switch, the air conditioning controls or how to dim the lights
- The driver was not a professional driver; while he might have been sober, his passengers were not. Dealing with the distraction of passengers can be difficult, even for professional drivers.
- The General Liability Hired and Non-Owned Auto Coverage afforded under the national fraternity's liability policy was immediately put into play due to the rental company and driver's insurance having insufficient limits to pay the entire amount of damages.

Because of situations such as this, we are requesting only professional drivers and transportation be utilized. This is just one example. Unfortunately, we could fill page after page with similar tragedies. We recommend the following requirements for any selected vendor employed to provide transportation to members and guest:

- Commercial Auto Insurance that provides coverage for transporting people and property for a fee.
- Commercial Auto Insurance that provides, at a minimum, primary coverage of \$1,000,000.00 combined single limit for bodily injury and property damage.
- A professional driver who has a valid commercial vehicle operator's license in the state in which the driver is located.

The standards set forth should be addressed in both a formal undergraduate chapter business meeting. By working together to consistently meet these standards, we will be providing safe transportation that all previous measures had failed to accomplish and, together, we will be reducing the exposure to our brothers, chapters and the National Fraternity. This is an ultimate win-win situation we all want to achieve.

LAWSUITS

There will be occasions when lawsuits may be served on a member of your chapter. As there is only a limited time to answer a lawsuit, the following procedure applies:

- Treat any potential or actual claim or lawsuit as a high priority item and immediately notify National Headquarters by phone.
- Utilizing the enclosed incident reporting form, note all relevant information.
- Forward the suit or incident report via fax to the Director of Business Affairs, Phi Sigma Kappa Fraternity, National Headquarters, at (317)573-5430. If you do not have access to a fax machine, overnight the papers to Phi Sigma Kappa, 2925 E 96th Street, Indianapolis, IN 46240. It is very important the claim or lawsuit be sent immediately.

GENERAL LIABILITY CLAIMS

General Liability claims can be numerous and usually arise out of activities of a chapter which cause bodily injury, property damage or personal injury to an individual. They will more than likely involve damage or injury to someone other than an employee or an officer of the Fraternity.

While on the scene, if possible, get names, addresses and phone numbers of all parties involved, as well as any witnesses to the accident. Immediately complete the attached incident reporting form and submit.

What should be reported?

Report bodily injury for anyone other than an employee and any property damage for which there is the possibility a claim may be made against Phi Sigma Kappa Fraternity. Complete the enclosed incident reporting form which will provide the needed information regarding the claim. If you question whether to report a potential claim, **report it!**

It is imperative all losses or incidents be reported immediately to Phi Sigma Kappa Fraternity (see phone numbers and address on next page). The Director of Business Affairs of Phi Sigma Kappa Fraternity is responsible for providing the initial report of the claim to Wills. (see phone numbers and address on next page). Once the claim report is sent to Wills you will likely be contacted directly by them or an insurance company representative to discuss the incident. If you are unable to obtain all necessary details when first notified of any incident, still report any known facts.

Success or failure of Phi Sigma Kappa Fraternity, insurance program and our ability to obtain reasonably priced insurance is contingent upon accurate and timely reporting. It is incumbent upon you as a member of Phi Sigma Kappa Fraternity to report all known facts regarding bodily injury, property damage, or personal injury arising out of Phi Sigma Kappa Fraternity activities in a timely manner.

OPTIONAL INSURANCE COVERAGE

Chapter Property Insurance Program

If a chapter of Phi Sigma Kappa Fraternity owns a physical plant or building, there is no coverage for damage to the building under the general liability policy for Phi Sigma Kappa Fraternity. The Fraternal Property Management Association Insurance Program is voluntary and open for participation of any chapter of Phi Sigma Kappa Fraternity. If your chapter wishes to be provided a coverage and premium proposal for the property program, please see the end of this section for details.

The property program provides all risk coverage insuring the building, contents, business income (loss of rents), extra expense, and boiler and machinery of property owned or leased by the local chapter or housing corporation. It must be understood, however, that this coverage does not insure the belongings of the individual members of the chapter. Each chapter member must ensure that their personal property is covered by other coverage.

How does a chapter participate in the property program?

If your chapter is interested in receiving a coverage and premium proposal, please have an officer request a coverage and premium proposal from Wills, 12231 Emmet Street Suite 5, Omaha, NE 68164, Attn: Tiffanie Havelka or email her at thavelka@willis.com. You may also fax your application to: 800-328-0522. She can be reached at: 800-736-4327 Ext. 217, or you can use the website www.willisfraternity.com and go to the FPMA Property Program button, choose and complete the Fraternal Property Management Association automated application.

Workers' Compensation Coverage

The Insurance Program of Phi Sigma Kappa does not provide Workers' Compensation Coverage for chapter employees. It is the duty of each house corporation to make certain they are familiar with their State laws and requirements to carry Workers' Compensation Coverage for employees of the Chapter.

Each State provides a State Assigned Risk Pool that can insure the Workers' Compensation exposures of the Chapter. The State Assigned Risk Pool can be accessed by contacting a local insurance agent or Wills, your insurance broker, to obtain coverage. It is important to note that in addition to payrolls paid to a chapter cook and housemother, subsidized housing provided to chapter members in exchange for service in a position (i.e. house manager, kitchen steward, chapter officer) is also considered payroll and if injured, the individual likely has the right to recover damages under the Workers' Compensation laws of your State. We will work with you to help you place this coverage only if we also place the property coverage for your location.

DEFINITIONS

Certificate of Liability Insurance: This is a certificate issued by the insurance company detailing the particulars of the insurance coverage in place for all chapters and regions under the general liability policy. This certificate may be used to document the existence of coverages for chapters and regions. This document is not sufficient when a third party requests a certificate where they are named as an additional insured.

Certificate of Liability Insurance for an Additional Insured: This is a certificate issued by the insurance company detailing the particulars of the insurance coverage in place for all chapters and regions under the general liability policy. This document specifically identifies a third party as being expressly covered under the general liability policy for a specified period of time (i.e. an additional insured). This form of insurance certificate is often requested by facilities where chapters or regions are planning to hold events.

Special Event: Events other than those where Fraternity business is the primary purpose of the meeting are considered Special Events. In general, all special events are covered under the general liability policy. However, there are specific events that have been deemed to be high risk. When these sorts of events are planned by chapters, approval from the National Headquarters must be sought 30 days prior to the event date (See special events section in the manual on page 7).

General Liability Insurance: Coverage that pertains, for the most part, to claims arising out of the insured's liability for injuries or damage caused by ownership of property, manufacturing operations, contracting operations, sale or distribution of products, and the operation of machinery, as well as professional services.

Directors & Officers Liability Insurance: Offers directors and officers protection from personal liability and financial loss arising out of wrongful acts committed or allegedly committed in their capacity as officers and/or directors.

Aggregate Limit: A limit in an insurance policy stipulating the most it will pay for all covered losses sustained during a specified period of time, usually one year. Aggregate limits are commonly included in liability policies and apply per chapter location.

Occurrence: An accident, including continuous or repeated exposure to substantially the same general, harmful conditions.

Claim: An incident where the injured party is making a demand for compensation under the terms of an insurance contract.

Incident: An occurrence involving bodily injury to a member or guest that does not result in a formal claim. All incidents must be reported when discovered due to possibility of them becoming a claim

Bodily Injury: Injury to the body, sickness or disease sustained by a person, including death resulting from any of these at any time

Property Damage: Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or Loss of use of tangible property that is not physically injured. All such loss of use shall be deemed to occur at the time of the "occurrence" that caused it.
