

TextbookPartners innovative site gives student organizations the opportunity to **raise money** simply by buying textbooks on-line. It's fast and simple...

# 1

Go to TextbookPartners.com and use the two dropdown menus to choose your student organization and university. You will be directly linked to your group's customized homepage.

# 2

Your group homepage will display a list of established on-line textbook companies associated with TextbookPartners.com. Simply click on the company's logo and start ordering your textbooks. Make sure you click on the "Learn More" links to find detailed information about each company before you start shopping.

# 3

The websites of our associated textbook retailers are extremely easy to use.

1. Find your textbooks by entering the book's Title, Author, Key Word, or ISBN in the Search Bar located at the top of each website.
2. Once you've located your textbook, follow the site's directions to complete your order.
3. Your textbooks will be delivered to your door.
